

Membership Application

The North Carolina Substance Use Disorder Federation is a consortium of substance use disorder organizations and groups that promotes policies to assure quality systems of education, prevention, and the expansion of a continuum of prevention services, treatment services, and recovery supports to effectively meet the needs of our population. The Federation serves as the official substance use disorders sub-group of the MHDDSAS Coalition of North Carolina (Coalition).

The Bylaws state that “membership is open to organizations, groups and appointed seats that identify with the mission of the Federation. Organizations are defined as entities incorporated to benefit its dues paying members. Groups are defined as incorporated or unincorporated entities representing an area of the substance use disorder field”.
